- MUST be able to float unassisted on front and back.
- MUST be able to swim 50 yards of front and back crawl.
- MUST be able to swim 25 yards of breaststroke and butterfly.

Y Swim Lessons are organized by age and skill level. Advancing to the next level is dependent upon the child's mastery of required skills. Since each child will learn at his/her own pace, session completion does not guarantee that they will advance to the next stage. Do not be discouraged if we recommend additional sessions at the same stage as this is quite typical.

- **PARENT/CHILD:** 6 months – 3 years
- **PRESCHOOL:** 3 – 5 years
- **SCHOOL AGE:** 6 - 12 years
- **ADULT:** 13 years and above
