IMPORTANT NOTICE

Effective **Aug. 13, 2017**, our **Steam Rooms and Saunas** will be permanently closed.

We understand this may be an inconvenience for those who use the rooms regularly, however, this decision was made after a thorough study and review by both our Property and Risk Management Committees and ultimately with the approval of our Board of Directors. It was not an easy decision, but rather the best course of action for the safety, health and wellness of our members and operations of the organization.

At this time, there are no specific plans for the future of the space. Leadership is working on developing a plan to repurpose the space and improve the locker rooms. This process will take time, as we have multiple branches, each with unique needs, to address.

We sincerely apologize for the disruption this may cause to your routine.

If you have questions or concerns, please visit the front desk of your local branch and ask to speak to the Executive Director.
