Independent Auditors' Report

To the Board of Directors
Young Men's Christian Association
of Greater Oklahoma City

Report on the Financial Statements

We have audited the accompanying financial statements of the Young Men's Christian Association of Greater Oklahoma City, which comprise the statements of financial position as of October 31, 2014, and the related statements of activities and changes in net assets, cash flows and functional expenses for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Young Men's Christian Association of Greater Oklahoma City as of October 31, 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

The financial statements Young Men's Christian Association of Greater Oklahoma City, as of and for the year ended October 31, 2013, were audited by other auditors who have ceased operations whose report dated January 10, 2014, expressed an unmodified opinion on those statements.

Young Men's Christian Association of Greater Oklahoma City

Notes to Financial Statements

Note 1. Summary of Significant Accounting Policies

The Young Men's Christian Association of Greater Oklahoma City (the Association) is incorporated under the laws of the State of Oklahoma as a not-for-profit organization and conducts activities in Oklahoma City and its surrounding communities.

Basis of financial statements: The financial statements of the Association have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America for not-for-profit organizations. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Association are classified and reported as follows:

Permanently restricted: Net assets subject to donor-imposed stipulations that they be maintained permanently by the Association. The donors of these assets may permit the Association to use all or part of the income earned on related investments for general or specific purposes.

Temporarily restricted: Net assets subject to donor-imposed stipulations that can be met either by actions of the Association and/or the passage of time. However, donor restricted contributions whose restrictions are met in the same fiscal year are classified as unrestricted.

Unrestricted: Net assets for which the donor has not imposed a restriction that the assets be used for a specific purpose or held for a certain period of time. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors or may otherwise be limited by contractual agreements with outside parties. The Board of Directors of the Association has designated portions of the unrestricted net assets for maintenance, investment and facility development. In addition, the Association has invested unrestricted net assets in the existing facilities of the Association.

Contributions are reported as increases in the appropriate category of net assets. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations or by law. Expirations of temporary restrictions recognized on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restriction in the statement of activities.

Contributions, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift. Contributions to be received after one year are discounted at a rate commensurate with the risk involved. Amortization of the discount is recorded as additional contribution revenue and used in accordance with donor-imposed restrictions, if any.

The Association reports gifts of land, buildings and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Association reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Notes to Financial Statements

Note 1. Summary of Significant Accounting Policies (Continued)

Endowment investment and spending policies: The Association's endowment consists of approximately 20 individual funds established for a variety of purposes. The endowment consists of both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. Net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of the Association has interpreted the Oklahoma Prudent Management of Institutional Funds Act (OKPMIFA) as requiring the preservation of the fair value of the original gift as of the date of the donor-restricted endowment fund gift, absent explicit donor instructions to the contrary. As a result of this interpretation, the Association classifies as permanently restricted net assets (a) the original fair value of gifts to the permanent endowment, (b) the original fair value of any subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the explicit donor instructions at the time of the gift. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Association in a manner consistent with the standard of prudence prescribed by OKPMIFA.

In accordance with OKPMIFA, the Association considered the following factors in making its determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund;
- The purposes of the Association and the donor-restricted endowment fund;
- General economic conditions;
- The possible effect of inflation and deflation;
- The expected total return from income and the appreciation and depreciation of investments;
- Other resources of the Association; and
- The investment policy of the Association.

Cash and cash equivalents: Cash and cash equivalents include cash and certificates of deposit with original maturities less than 90 days. Cash and certificates of deposit that are restricted for long-term purposes are presented as investments. The Association maintains its cash and cash equivalents in bank deposit accounts and money market funds, some of which may not be federally insured. The Association has not experienced any losses in such accounts and believes it is not exposed to significant credit risk on cash and cash equivalents.

Inventories and supplies: Inventories and supplies are stated at the lower of cost or market. Cost is determined using the first in, first out method.

Fair value of financial instruments: The Association's financial instruments consist of cash and cash equivalents, receivables, pledges receivable, investments, accounts payable and accrued expenses, notes payable and bonds payable. The carrying value of cash and cash equivalents, receivables, accounts payable and accrued expenses, notes payable and bonds payable approximates fair value.

Accounts receivable and credit policy: Accounts receivable principally consists of billings to other not-for-profit organizations. The Association considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is considered necessary. The Association's management considers various factors in determining when to charge off a receivable, including the length of time from the initial billing, the payment history, the organization's financial status and the overall collection history.

Notes to Financial Statements

Note 1. Summary of Significant Accounting Policies (Continued)

The delinquency of any receivables is considered on an individual basis. A receivable is charged off when management has determined that all reasonable methods for collection of the receivable have been exhausted.

Investments: Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value in the statements of financial position, with gains and losses included in the statements of activities and changes in net assets. The fair values of investments are generally determined based on quoted market prices or estimates of fair value provided by external investment managers. The amounts the Association will ultimately realize could differ materially from the reported amounts and significant fluctuations in fair values could occur from year to year.

Income and gains or losses on investments are reported as follows:

- Increases/decreases in permanently restricted net assets if the terms of the gift that gave rise to the investment or applicable law require a portion of income or gains and losses to be added to the principal of a permanent endowment.
- Increases/decreases in temporarily restricted net assets if the terms of the gift or applicable law impose restrictions on the use of the income.
- Increases/decreases in unrestricted net assets in all other cases.

Generally, losses on the investments included in restricted net assets reduce temporarily restricted net assets to the extent donor-imposed temporary restrictions on net appreciation of investments have not been met before the loss occurs. Any remaining losses reduce unrestricted net assets but can be restored through subsequent investment gains. Losses on beneficial interests in assets held by others and certain other losses on permanently restricted funds are included in permanently restricted net assets.

The Association has an investment policy specific to its Endowment Fund, which is monitored by the Investment Committee of its Board of Directors. Endowment Fund assets include those assets of donor-restricted funds that the Association must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds. In addition to the spending policy, the investment policy describes the objective for the fund and sets ranges for asset allocation.

The overall rate of return objective of the portfolio is a reasonable "real" rate, consistent with the risk levels established by the Committee. The expected rate of return over a full market cycle should equal or exceed a reasonable "real" return, plus the rate of inflation.

Note 1. Summary of Significant Accounting Policies (Continued)

The following is a summary of the asset allocation guidelines, with allowable ranges for each asset class:

	Minimum Percent	Maximum Percent	Target Percent
Large Cap Stocks	25	40	30
Small & Mid Cap Stocks	5	20	10
International Equities	5	25	15
Emerging Market Equities	-	15	5
Investment Grade Fixed Income	10	35	20
High Yield Fixed Income	-	10	5
International Fixed Income	-	20	10
Alternative Investments	-	10	5
Cash	-	5	-

The Association has an endowment spending formula for spending the earnings from the Endowment Fund. Unless specified otherwise by the donor, the Association allocates four percent of the related investment's average market value for the prior 12 quarters as determined as of June 30 of each year for the subsequent year's operating activities in accordance with its policy.

Donated services: In instances where services would have been purchased had volunteers not donated their services and the value of these services can be reasonably established, the Association reflects the value of the donation in its financial statements. A substantial number of volunteers have donated time to the Association for projects such as fundraising, coaching, the running of certain programs and events and administration of the Association. No amounts have been reflected in the financial statements for such services.

Long-lived assets: Long-lived assets to be held and used are reviewed for impairment whenever events or changes in circumstances indicate that the related carrying amount may not be recoverable. When required, impairment losses on assets to be used are recognized based on the fair value of the asset as determined by appraisals. Long-lived assets to be disposed of are reported at the lower of carrying amount or fair value less costs to sell.

Facilities: Depreciation of facilities is based on the straight-line method with the half-year convention in the year of acquisition utilizing the following estimated useful lives:

Buildings	25 to 45 years
Improvements	5 to 25 years
Furniture and equipment	5 to 10 years
Vehicles	5 years

Income taxes: The Association is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code, and accordingly, no provision has been made for income taxes in the accompanying financial statements. Management evaluated the Association's tax positions and concluded that they had taken no uncertain tax positions that require adjustment to the financial statements. With few exceptions, the Association is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2010.

Note 1. Summary of Significant Accounting Policies (Continued)

Beneficial interests in assets held by others: Beneficial interests in assets held by others represent amounts held by the Oklahoma City Community Foundation (OCCF), which were contributed to OCCF by the Association together with the undistributed gains and losses on such funds. Annually, distributions from the funds are paid to the Association according to OCCF's spending policy which is five percent of the average market value over the previous twelve quarters in 2014 and 2013. OCCF maintains variance power over these funds. Variance power assures donors that if the charitable purpose of their contribution becomes impractical or impossible, the distributions will be direction to similar purposes in the community. OCCF also maintains legal ownership of the funds. The Association's interest in the assets is recorded at the fair value of the net assets held in trust by OCCF. The amount the Association will ultimately realize could differ materially from these recorded amounts and significant fluctuations in fair values could occur from year to year.

Deferred revenues: Deferred revenues consist of deferred memberships and program revenues, which are recognized as revenue over the term of the related membership or program.

Functional allocation of expenses: The costs of providing the Association's various programs, management and general expenses, fundraising expenses and expenses related to the Association's rental of excess space in its main office building have been summarized on a functional basis in the statements of activities. Accordingly, certain expenses have been allocated among these cost centers using various systematic bases of allocation.

Estimates: In preparing the Association's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ significantly from those estimates.

Fair value measurements: Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value hierarchy has been established that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The following is a brief description of those three levels:

- Level 1: Quoted prices in active markets for identical assets or liabilities;
- Level 2: Inputs that are derived principally from or corroborated by observable market data; and
- Level 3: Inputs that are unobservable and significant to the overall fair value measurement.

Financial assets and liabilities carried at fair value on a recurring basis include investments and beneficial interest in assets held by others (see Note 6).

Concentration of credit risk: Financial instruments which potentially subject the Association to credit risk consist of grants and accounts receivable, grants and accounts receivable with restrictions, campaign pledges receivable and investments. Credit risk for all the Association's receivables is concentrated because the majority of the balances are receivable from individuals located within the greater Oklahoma City area.

The Association's investments consist of various stocks, bonds, equity and fixed income securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the investment account balances and the amounts reported in the statements of financial position and the statements of activities and changes in net position.

Reclassification: Certain reclassifications have been made to the prior year presentation to conform to the current year presentation.

Subsequent events: The Association has evaluated subsequent events through January 20, 2015, the date the financial statements were available to be issued. No events have occurred subsequent to October 31, 2014 which require recognition or disclosure in the financial statements.

Note 2. Basic Programs Offered by the Association

All programs and activities offered by the Association are designed around its mission: To put Christian principles into practice through programs that build healthy spirit, mind and body for all. The major program areas of the Association are as follows:

Youth development: We believe the values and skills learned early on are vital building blocks for life. Because of the Association, more young people in neighborhoods around our community are taking a greater interest in learning and making smarter life choices. At the Association, children and teens learn values and positive behaviors and can explore their unique talents and interests, helping them realize their potential. That makes for confident kids today and contributing and engaged adults tomorrow.

The Association makes sure that every child has an opportunity to envision and pursue a positive future and to take an active role in strengthening his or her community, through programs like our Child Development Center or before-and-after school programs and others like YMCA Youth in Government and Y Achievers, which offer career exploration and college preparation.

For others, the Association is the starting point for kids to learn about becoming and staying active and developing healthy habits they'll carry with them throughout their lives. Whether it's gaining the confidence that comes from learning to swim or building the positive relationships that lead to good sportsmanship and teamwork, participating in youth sports programs at the Association is about building the whole child, from the inside out.

Very few environments are as special as camp, where kids become a community as they learn both how to be more independent and how to contribute to a group as they engage in physical, social and educational activities. Our summer day camps, specialty camps and resident camp teach self-reliance, a love for nature and the outdoors and the development of attitudes and practices that build character and leadership.

Healthy living: Being healthy means more than simply being physically active. It's about maintaining a balanced spirit, mind and body through a wide array of group exercise classes from water aerobics to cycling. The Association is a place where you can work toward that balance by challenging yourself to learn a new skill or hobby, fostering connections with friends through our lifelong learning programs, or bringing your loved ones closer together through our many family-centered activities. At the Association, it's not about the activity you choose as much as it is about the benefits of living healthier on the inside as well as the outside.

Serving families has always been at the heart of the Association. We are a place where they can find respite from social, economic and educational challenges and learn how to overcome them. We have a fundamental desire to provide opportunities for every family to build stronger bonds through unique programs like Adventure Guides and Family Nights.

Note 2. Basic Programs Offered by the Association (Continued)

We provide educational programs to promote healthier decisions and offer a variety of programs that support physical, intellectual and spiritual strength like Silver Sneakers and Active Older Adults programming.

We believe sports, fun and exploring new interests aren't just for the young. Along with improving health, whenever teamwork is involved, there's the added benefit of being connected to others. That's why you'll find a range of recreational activities at the Association, from group classes to adult sports leagues.

Social responsibility: As a leading not-for-profit committed to strengthening community through youth development, healthy living and social responsibility, the Association was created in response to social challenges and remains to this day a lifeline in the community. The Association understands the challenges that keep individuals from reaching their full potential and responds with services and support which help people to be self-reliant, productive and connected to the community. Each location responds to the unique issues influencing the community and provides support through services focused on critical areas, such as child welfare, community health, quality of life, or family services.

To bring about meaningful change, individuals need ongoing encouragement and tools. We're here day-in and day-out to provide the resources our communities need. The Association addresses social issues through our YMCA LINCOLN PARK SENIOR CENTER, the YMCA MILITARY WELCOME CENTER, environmental education camp at YMCA CAMP CLASSEN and the Everybody in the Pool program that teaches underserved kids how to swim.

One of the most important aspects of building a global community is giving young people opportunities to understand and celebrate diversity. The Association helps people to develop cultural competencies and the key skills to collaborate with their peers around the world through our International Camp Counselor Program and Brazilian Exchange program.

Finally, the generosity of others is at the core of our existence. It is only through the support of our thousands of volunteers and public and private donors that we are able to give back to the communities we serve.

Note 5. Facilities

At October 31, facilities of the Association consist of the following:

	2014	2013
Land	\$ 1,731,849	\$ 1,731,849
Donated leases	870,000	870,000
Buildings and improvements	32,034,331	32,034,331

Facilities, net	<u>\$ 34,643,247</u>	<u>\$ 35,233,919</u>

The Association entered into a lease agreement with the City of Oklahoma City for eight acres of land in a park in Cleveland County, Oklahoma, with an appraised value of \$870,000. The lease calls for the Association to develop and maintain a recreational facility for the Association's sole use and the Association's sole cost on the property in lieu of cash rentals. The lease period is for 20 years with two 10-year renewal options. The facility was placed in service in January 2006. Accordingly, the Association recognized \$870,000 of donated land lease in temporarily restricted net assets. The lease is being amortized over the original term and renewal periods with the amount of the amortization being released to unrestricted net assets each year. During 2014 and 2013, \$21,750 each year was released from temporarily restricted net assets.

Note 6. Beneficial Interest in Assets Held by Others

Beneficial interest in assets held by others represents funds contributed by the Association to OCCF to be held in trust for the benefit of the Association. OCCF also holds additional funds contributed by others for the benefit of the programs and activities of the Association. Funds and related undistributed gains and losses held by OCCF for the benefit of the Association, which were donated by others, are not reflected in the accompanying statements of financial position because OCCF maintains variance power over these funds.

A summary of funds held at OCCF for the benefit of the Association at June 30, 2014 and 2013, the most recent date for which such information is available, is as follows:

	2014	2013
Total funds held at OCCF for the benefit of the Association	\$ 1,438,000	\$ 1,318,000
Amount of such funds contributed by others, for which OCCF retains variance power	<u>1,053,000</u>	<u>965,000</u>
Funds contributed by the Association, held in trust by OCCF, and reflected on the Association's statements of financial position	<u>\$ 385,000</u>	<u>\$ 353,000</u>

The Association received total distributions from OCCF of \$66,176 and \$63,529 in the years ended October 31, 2014 and 2013, respectively, which are reflected in the accompanying statements of activities.

Note 7. Notes Payable

At October 31, notes payable consist of the following:

	2014	2013
5.19% installment loan with monthly installments of \$43,894 with a balloon payment in September 2023, secured by real estate	\$ 6,310,787	\$ 6,500,000
	<u>\$ 6,310,787</u>	<u>\$ 6,500,000</u>

At October 31, 2014, the aggregate future principal payments on notes payable are as follows:

Year ended:

2015	\$ 204,002
2016	214,845
2017	226,265
2018	238,292
2019	250,957
Thereafter	5,176,426
	<u>\$ 6,310,787</u>

The Association has a \$400,000 revolving line of credit at 4.5 percent maturing in March 2015. As of October 31, 2014, no amounts were outstanding on this line of credit.

During 2010, the Association entered into an Operating Agreement with the City of Edmond whereby each party was to contribute up to \$6,000,000 for the design and construction of a recreation facility in a park in the City of Edmond. Subsequently, the Association agreed to increase the funding for the project by approximately \$235,000. The City of Edmond owns the facility and the Association has a 20-year exclusive agreement for the operation of the facility with two 10-year renewal options. The City of Edmond will maintain the exterior of the facility and the related landscaping. The Association will be responsible for all other costs related to operating the facility. The facility opened in February 2014 and the Association recorded total costs of \$6,588,386 as leasehold improvements which are being amortized over the life of the agreement.

Note 8. Bonds Payable

In September 2006, serial revenue bonds (Series 2006 Young Men's Christian Association of Greater Oklahoma City Earlywine Project) were issued by the Oklahoma Industries Authority (OIA) as a conduit for financing for the Association. The bond proceeds of \$5,340,288 plus \$4,144 of Association funds were used to retire a construction line of credit of \$4,812,178, establish a debt service reserve of \$410,891 and to pay issuance costs of \$121,363.

The bonds have stated interest rates ranging from 3.75 percent to 5.00 percent and mature between July 1, 2007 and July 1, 2027. The agreement with the OIA calls for monthly payments to a trustee of amounts sufficient to pay semi-annual interest and the annual maturity of the serial bonds. As of October 31, 2014 the monthly payment was set at \$33,755.

The original issue discount of \$54,712 is treated as a reduction of the bond payable liability and is being amortized over the life of the related bonds. The debt service reserve is to be invested by the trustee with earnings on the funds available to offset future monthly debt service. The issuance costs have been capitalized and are being amortized over the life of the bond issue.

Note 8. Bonds Payable (Continued)

The debt service reserve and bond issuance costs are listed as other assets in the accompanying statement of financial position and have balances as follows as of October 31, 2014:

Debt service reserve	\$ 410,000
Bond issuance costs	38,018
Total	<u>\$ 448,018</u>

At October 31, 2014, aggregate future minimum principal payments on the bonds are as follows:

2015	\$ 220,000
2016	230,000
2017	240,000
2018	250,000
2019	265,000
Thereafter	2,640,000
Total	<u>\$ 3,845,000</u>

Bonds payable at October 31, 2014 are as follows:

Principal	\$ 3,845,000
Original issue discount	(26,919)
Principal payments to sinking fund	(75,509)
Balance	<u>\$ 3,742,572</u>

Note 9. Operating Leases

The Association has non-cancelable long-term operating leases for certain fitness equipment and facilities with various expiration dates. At October 31, 2014, future minimum annual lease payments for these long-term leases for the next five years and thereafter are:

2015	\$ 510,608
2016	307,823
2017	216,584
2018	191,850
2019	131,670
Thereafter	175,560
Total	<u>\$ 1,534,095</u>

Total rent expense under operating leases was \$1,140,435 and \$1,091,365 for the years ended October 31, 2014 and 2013, respectively.

Notes to Financial Statements

Note 10. Retirement Plan

The Association participates in the YMCA Retirement Fund Retirement Plan, which is a defined contribution, money purchase, church plan that is intended to satisfy the qualification requirements of Section 401(a) of the Internal Revenue Code of 1986, as amended, and The YMCA Retirement Fund Tax-Deferred Savings Plan, which is a retirement income account plan as defined in section 403(b)(9) of the code. Both Plans are sponsored by The Young Men's Christian Association Retirement Fund (the Fund). The Fund is a not-for-profit, tax-exempt pension fund incorporated in the State of New York in 1922, organized and operated for the purpose of providing retirement and other benefits for employees of YMCAs throughout the United States. The plans are operated as church pension plans. Participation is available to all duly organized and reorganized YMCAs and their eligible employees. As a defined contribution plan, the Retirement Plan and the Tax-Deferred Savings Plan have no unfunded benefit obligations.

In accordance with the agreement, contributions for the YMCA Retirement Fund Plan are a percentage of the participating employee's salary. Total contributions charged to retirement expense in 2014 and 2013 were \$547,404 and \$525,179, respectively.

Contributions to the YMCA Retirement Fund Tax-Deferred Savings Plan are withheld from employees' salaries and remitted to the YMCA Retirement Fund. There is no employer matching contribution in this plan.

Note 11. Commitments and Contingencies

From time to time, the Association is the defendant in certain legal claims. The Association's management is of the opinion, based on advice of legal counsel, that the ultimate outcome of any such litigation will not have a material effect on the future operations of the Association.

In the normal course of operations, the Association receives grants and other forms of reimbursement from various federal, state and local agencies. The activities are subject to audit by agents of the funding authority, the purpose of which is to ensure compliance with conditions precedent to providing such funds.

Management believes that the liability, if any, for a reimbursement which may arise as the result of audits would not be material.
