

24 HOUR FACILITY ACCESS

Policies & Requirements

Honor Code Policy

The YMCA has a strict honor code based on YMCA values of honesty, respect, caring and responsibility. If members fail to abide by the policies established, their 24-hour access and their membership can be revoked without refund.

Usage

As a member with 24-hour access, you may use the Fitness Center area, Free Weight Room, Racquetball Courts, Gymnasium, and Individual Restrooms of the YMCA at any time. The rest of the YMCA will be staffed during normal operating hours. Once the staff leave the building, there will be no YMCA staff on hand to assist members. The Stage, Child Watch, Locker Rooms, behind the front desk, and the entire 2nd level of the building will be unavailable outside of the staff scheduled hours.

Basketball & Racquetball

Members must provide all their own equipment. Any fighting or destruction of property will result in membership termination and possible referral to local authorities and/or payment for any damages. Only two people are allowed in racquetball Court 2 at any time. Please limit play to one hour if others are waiting for the court. Court 3 will be locked. As always Dunking is not allowed. Additionally, using the nets for pullups or any other purpose is not allowed. Fitness/training equipment is not allowed in the racquetball courts. Anything used in the gym must be returned to its proper place in the weight room. Basketball and Racquetball Courts will be available on a continuous trial basis. Failure to consistently follow the rules could lead to the closure the courts during non-staffed hours.

Entry/Exit

The 24-hour access entrance/exit is limited to the main entrance of building (Chickasha Avenue).

Age Requirements

Members ages from 12-17 will be allowed with a parent from 8:00 a.m. to 9:00 p.m. every day. Members ages 18+ are allowed 9:00 p.m. to 8:00 a.m. every day.

Guest Policy

Day pass guests are only allowed in the YMCA during normal business hours when a YMCA staff member is on duty. No guests are allowed to utilize the 24-hour access area after business hours, as it is a program for members only.

Safety & Security

Please be aware that your access code is to be used only for your own entrance into the facility. Members with 24-hour access cannot grant access to others, even if they are known to you. This is done so the YMCA can track who is in the building at all times. Granting access to another individual is grounds for immediate termination of membership.

The YMCA has a 24-hour video recording system for security purposes. It will be reviewed to address any security concerns and monitor who is entering the building. Please note that this system does not provide staffing assistance for any emergency that might arise. A telephone is located at the Member Services desk in case of emergency. In the event of an emergency, immediately dial 911.

During non-business hours on heavy snow or ice days, snow or ice removal will not be in place until staff are present (later if there is a delay in operating hours.) Members with 24-hour access can utilize the Fitness Center at their own risk.

Access Code Entry Assistance

In the event that your access code does not work, please call the YMCA during normal operating hours for assistance. 24-hour members who are in the facility at the closing of business will be required to exit the facility while staff members lock the doors and then check in with their access code at the door to re-enter the facility as a 24-hour member.
