

24 HOUR FACILITY ACCESS

Policies & Requirements

Honor Code Policy

The YMCA has a strict honor code based on YMCA values of honesty, respect, caring and responsibility. If members fail to abide by the policies established, their 24-hour access and their membership can be revoked without refund.

Usage

As a member with 24-hour access, you may use the Fitness Center area of the YMCA at any time. **All other areas will be closed off except for the two single restrooms in the lobby.** Once the staff leave the building, there will be no YMCA staff on hand to assist members.

Age Requirements

Only members **18+** will be allowed in the facility during 24-hour access. **Members under the age of 17 are not allowed in the facility during non-staffed hours.** Members who violate this policy may lose their membership privileges.

Guest Policy

Day pass guests are only allowed in the YMCA during normal business hours when a YMCA staff member is on duty. No guests are allowed to utilize the 24-hour access area after business hours, as it is a program for members only.

Safety & Security

Please be aware that your access code is to be used only for your own entrance into the facility. Members with 24-hour access cannot grant access to others, even if they are known to you. This is done so the YMCA can track who is in the building at all times. **Granting access to another individual is grounds for immediate termination of membership.**

The YMCA has a 24-hour video recording system for security purposes. It will be reviewed to address any security concerns and monitor who is entering the building. Please note that this system does not provide staffing assistance for any emergency that might arise. A telephone is located at the Member Services desk in case of emergency. In the event of an emergency, immediately dial 911.

During non-business hours on heavy snow or ice days, snow or ice removal will not be in place until staff are present (later if there is a delay in operating hours). Members with 24-hour access can utilize the Fitness Center at their own risk.

Appropriate Use

24/7 Access is intended to provide members with expanded access to the facility to work on their fitness goals and should be used as such. Inappropriate use of the facility is grounds for termination of access and/or membership.

Access Code Entry Assistance

In the event that your access code does not work, please call the YMCA during normal operating hours for assistance. 24-hour members who are in the facility at the closing of business will be required to exit the facility while staff members lock the doors and then check in with their access code at the door to re-enter the facility as a 24-hour member.
